# FLIGHT MV22-23

## Destination: **A Culture of Excellence**

*"Majors achieve and thrive together with purpose and pride."*

**#ProudMajors**

## The *Culturize* framework consists of four core principles:

***Champion for Students***: Believe all kids can! Focus on relationships and time invested in each student.

***Expect Excellence***: High expectations for everyone. Model the behaviors you want others to repeat. Don't ask students or staff to do anything you are not willing to model first.

***Carry the Banner***: Be a positive voice for all school stakeholders. Create experiences with others that impact them in such a way that they begin to carry the banner for you. ←

***Be a Merchant of Hope***: Everyone deserves to be a part of something great and an opportunity to leave their legacy. We must provide them with the hope and inspiration that makes them strive for and achieve this. ←

# What is Family Engagement?

**A Shared Responsibility** in which:

- Schools, other community agencies and organizations are committed to reaching out to families in meaningful and culturally respectful ways.
- Families are committed to actively supporting their children's learning and development.

*"Majors achieve and thrive together with purpose and pride."*

# MVHS Strategic Plan Big Ideas

MVHS students and teachers will demonstrate growth in their social emotional skills to support student success in school and life.

Mount Vernon High School uses efficient, reflective, and research-based CLT processes to create a safe space and culturally responsive environment for teacher and student learning, to facilitate student engagement, to ensure meaningful learning experiences, and to guarantee essential learning outcomes and achievement.

Mount Vernon High School will equitably provide differentiated instruction to meet the individualized needs of each student and to ensure access to rigor in meaningful learning experiences.
