International Baccalaureate Middle Years Program (IB MYP) Expectations

As an authorized IB MYP World School, Mount Vernon expects 9th grade students to choose a Language Acquisition (World Language) course in order for them to become ethical and global citizens, to be eligible for FCPS's IB MYP certificate, and to be fully prepared for participation in the Diploma Program as high school students. Students required to take core academic support classes or participating in Special Education or Multilingual Learners programs may be exempted from these expectations.

Alternate Choice Selections:

Indicate below three full-year courses you are interested in taking if there is a conflict in your schedule. The alternate course(s) will replace the elective causing the conflict.

Course Number	Course Name

PARENT/GUARDIAN: While every effort will be made to provide students with their most desired elective choices, placement will also depend on staffing, enrollment, and the possibility of scheduling conflicts. Please consult with your child’s school counselor to assist you in selecting courses that are best suited for your student’s learning needs. Additionally, an intervention support class may replace an elective if a student is not demonstrating consistent mastery of grade level skills. Students who fail an SOL test may be required to take an academic support class.

I understand that the school reserves the right to change a student’s schedule based on scheduling needs, course availability and/or conflicts. Your signature below indicates approval of this course selection sheet.
