PARENT/GUARDIAN: While every effort will be made to provide students with their most desired elective choices, placement will also depend on staffing, enrollment, and the possibility of scheduling conflicts. Please consult with your child's school counselor to assist you in selecting courses that are best suited for your student's learning needs. Additionally, an intervention support class may replace an elective if a student is not demonstrating consistent mastery of grade level skills. Students who fail an SOL test may be required to take an academic support class.

I understand that the school reserves the right to change a student's schedule based on scheduling needs, course availability and/or conflicts. Your signature below indicates approval of this course selection sheet.
